This February we celebrated our 2nd anniversary as a band! Who are the Blues Daddios? Some of WNY's best musicians. Dave "The Schredder" Schmeidler has been tearing up the fret board around western New York for at least 40 years that I know of. Dave has won "Best Original Guitarist" the last 3 years in a row in the "Nightlife Music and Club Awards". Including present positions in "Stone Row" and "Infinity Machine", Dave has played with Buffalo's best. He now brings his tremendous talent to the Blues Daddios. Life will never be the same. Dale Rugg adds his talents on Harmonica and Saxophone as well as singing a few. Dale has played for years with the areas best, most recently with Blues Child. Jim Safee adds his talents on Bass and lead vocals. Jim Has played with many of the areas top bands including an 10 year stint with the " Electras" and a current position in " The Aces and 8's". Mark Garcia has recently joined the band, laying down the pocket on drums. Mark is also a veteran of the WNY Music scene and also played with Jim in The Electras for 10 years. Most Recently Mark was playing with Hoagie and The Blues Bombers and is one of the area's best "Kickmen". Blues Daddios is a great band and a lot of fun to watch.
