We are originally from Trinidad & Tobago, which is an island off the coast of Venezuela. We are part of a musically inclined family, of which our late father, Cyril Diaz, was a famous musician in Trinidad.

We started out by playing with our Dad, and later expanded on our own. Leaving Trinidad for the Bahama Islands in the early 1970's, we were discovered there by a Western New Yorker, John J. Piazza (*Hi JJ!*), who sponsored us to come to the United States and play in his restaurant, "The Showboat", located at the foot of Hertel Avenue, in Buffalo, New York. Yes, you read correctly, **BUFFALO, NEW YORK**. Our home base is still in Buffalo.

We have toured all over the continental United States, Bahama Islands, Canada, Newfoundland, Japan, South Korea and several tours in Dubai, United Arab Emirates.

We entertain old and young audiences with our music and show. Our music repertoire is very extensive, covering all areas of the music world. This includes calypso, reggae, pop and classical. If you know it, we'll play it!!!

We provide instrumental music as well as vocals. We sing in five languages. Our choreographed show consists of calypso songs and limbo; and we invite our audiences to see *HOW LOW THEY CAN GO !*
