

# Tom Keefer and Celtic Cross

Hailing from the bonnie shores of Loch Ontario and firmly dedicated to preserving Scottish and Irish heritage through song Tom Keefer delivers music from his ancestors James Reid of Glasgow, Scotland, Elizabeth Duffy of Ireland and Clifford Foley from Irish South Buffalo, NY. Drawing on many years of experience such as providing the Niagara Celtic Heritage Festival sound and lighting since 2001, leading to a successful six year run with the Lochside Celtic Band (and Duo), Tom has opened for international acts the Red Hot Chili Pipers, Enter The Haggis, National Dance Company of Ireland and The Fighting Jamesons as well as headlining and been a main stage performer at many Celtic festivals.

Having played all over New York, in Pennsylvania, Virginia and Canada, Tom and the band are "road-ready" for Celtic entertainment. Don't miss out on the fun.
