

We are not just an “oom-pah” band...we are:

One of the last big German band organizations around. We are Buffalo's BIG German Band after all!

An eighty-three year 501(c)(3) not-for-profit cultural organization whose goal is the cultivation and performance of the traditional music and culture of German-speaking lands.

Made up of approximately 25 band members and an auxiliary support group. Our membership consists of professional musicians, educators and working professionals of all ages.

A Social organization that likes to get together when we are not performing or running our own events.

An organization that is a member of the Federation of German American Societies of Buffalo.

An organization that learns about and promotes the German culture through music, food, and beverages.

A family friendly organization, that also puts on a family-friendly show.
