

The incredibly diverse repertoire of Black Widow is performed by four of Buffalo's most applauded musicians. As winners of over 50 Buffalo Music Awards, their raw talent, high-energy stage presence, and national-class production consistently 'wow' the Black Widow draw and newcomers alike.

Hits – all of them – are what Black Widow plays. The latest and the best party, rock, dance, country, and alternative songs are blended with all of the genres' classics and oldies to make Black Widow positively versatile. This versatility is commonly threaded with one goal: to get the audience up and having the time of their life!

Listen to Lana as she sweetly covers the meekest love song and then draws the thunderous applause of everyone with a pulse while singing Janis Joplin.
