WNY'S MOST UNIQUE PARTY BAND - Party Rock from the 60's today &
Crossover Country ...But with a Twist.

TRIPLE THREAT is a 3 girl vocal front with a back-line of bass, drums and guitar (acoustic guitar/ keyboard and percussion also added rounding out the sound as needed). We perform a wide variety of party rock, suitable for any occasion and with a dedication to entertaining crowds of all ages. Whether you are 8 or 80 you will walk away impressed and entertained.

Although we perform many of the crowd favorites of other bands, we bring them to life with a unique twist: Rock infused with harmony in a way you've never experienced before. We also craft our set lists to accommodate any type of function or club. We are at home in the smallest bar, or at the largest corporate event & have a wide selection of Party Rock that ranges all the way from the 60's - right through today.

There is nothing we love more than having fun with YOU - so let us bring the party there and give you a rockin' night Triple-Threat-style. Remember.... we are the only Threat you want after dark!
